Thank you for joining SCDA Mavericks. Your membership is appreciated by us whether you are a sports paddler, a social paddler, a breast cancer survivor, an outrigger paddler, or a combination of all.

Your membership gives you the opportunity to train and to compete in Dragon Boat Regattas locally, Nationally, and Internationally or, train in dragon boats and outriggers for fitness. It's your decision.

As a member of SCDA Mavericks you have also joined Dragon Boat Queensland (DBQ) and Australia's National Dragon Boat Federation (AusDBF). If you are travelling, you'll find most places will welcome you to paddle with them as a visitor.

OUR HISTORY

We are one of Queensland's newest Dragon Boat Clubs but our beginnings date back to 2004 as Sunshine Coast Dragons Abreast (SCDA).

Over the years we've been affiliated with other Dragon Boat Clubs but in July 2021 we decided to step out on our own and formed SCDA Mavericks

ATTENDANCE:

To register for training sessions/events log in to www.scdamavericksdragonboatclub.com.au (We call it Rev Sport). For coaching and safety purposes we need to know how many people are attending each session/event. Our training times may change with the seasons.

There is a QR code (Covid) to scan when attending each session. We do have some paddles and padded seats to borrow when you begin paddling. A safety talk is given, but please speak to the coach or steerer if you have any questions or concerns.

OUTRIGGING:

Our outriggers provide a great opportunity for cross training. Speak to Carol or one of the outrigger paddlers if you wish to attend, so steerers and numbers can be organised.

HEALTH:

Please don't attend if you are feeling unwell. If you have any mobility or health issues, we advise you to speak to one of our senior coaches. Please bring a medical certificate when returning to paddling after surgery or a serious illness.

OPPORTUNITIES:

We love to develop talents in our team so if you have an interest in paddling for your State, Steering or Coaching please let our senior coaches know.
